We are proud to have an extensive farming clientele of family-run agricultural-related businesses.

Every farm needs a “Daisy” – someone who has the professional, specialist understanding of farming accounting requirements.

We have a dedicated team of experts:

- with more than 40 years experience
- from a farming background – bred from good farming stock/Welsh Pedigree breeding!
- with competent personal qualities and, above all, reliable and trustworthy.
- who work alongside external consultants.
- who are bilingual – yn hapus i siarad Cymraeg!

We can help you reduce the burden of the increasing paperwork and self assessment issues.
